Business Dept. Offers New Seminar

All seniors who are majoring in business and planning to graduate this semester, spring semester, or at the end of the summer session are advised that there will be a special, one hour per week, no credit seminar course. This course began meeting in room 210 Thursday, September 17, at 3 p.m. If you could not attend at that time and you are interested, please refer to the general catalog, pages 66-67 for further information.

Faculty Briefs

Eleven new faculty members have been added to the staff: Mr. H. G. Bensusan, humanities; Mr. E. D. Bradgon, social sciences; Dr. Eleanor Caldwell, fine arts; Mrs. R. C. Davis, fine arts; Mr. R. C. Davis, physical science (yes, they're related by marriage); Miss Elviria Denning, Horace Mann library; Mr. R. A. Hesler, speech-English; Mr. Pete A. Jackson, industrial arts; Mr. James L. Lowe, social science; and Mr. Milan Dady, education; and Mr. W. O. Yates, business. Mr. J. R. Gregory is returning to the staff in physical education.

Returning from one year leave: Mrs. Knittl, Miss Mildred Ross, and Mr. and Mrs. Sandford.

Three faculty members have received their doctorates since last school year. Now it is Dr. Elwyn DeVore, Dr. Shelton, and Dr. Mildred Ross. Mr. Sandford has almost completed the work on his doctorate.

The new faculty were entertained at a reception given by the faculty on Sept. 8.

Wives of the new faculty members with their husbands were entertained by the Faculty Dames at a Potluck supper, Sunday, Sept. 13.

Intramurals Open

To all Freshmen on Campus who are wishing to know more about the Intramural Program, this is your chance. During the week of September 21, the members of the Intramural Commission will meet with the Freshman Orientation sections and explain what the program is set up for and what it contains. They should be able to throw some light on the subject to you, the Freshmen.

Walkout Day— How Far Away?

One eventful day in the near future, the freshmen will be liberated. On this day their green beanies will be worn for the last time and all the scraping and bowing to the upperclassmen will end.

Sometime before homecoming, the exact date is kept a mystery, the president of the Letterman's Club and the president of the Student Body will ring the Victory Bell which signifies "Walkout Day."

Walkout Day is fun for everyone. At the sound of the bell everyone vacates his class, and the freshmen meet in front of the Administration building where the boys generally choose a partner in some ingenious method devised by the "M" Club. After this the freshmen proceed downtown to the Courthouse where their final Kangaroo Court is held. The long walk downtown is generally made longer by various means, such as: riding piggy back, snake walks and that termed as wheel-barrowing.

When Kangaroo Court starts, a Judge finds guilty a number of freshmen who have refused to obey the wishes and commands of the "M" Club. Then the "M" Club members proceed to punish these wayward freshmen. During this time the freshmen will be asked to drink some exotic concoctions prepared especially for them by their superiors. Some of the girls might have the chance to get their hair washed and the "M" Club offers free hair cuts to the boys. So, beware, freshmen; you had better obey your elders!

At last the court adjourns and the long walk is started back to the campus. There the freshmen remove their beanies and begin to live again.

In the afternoon there is a variety show and a movie held at the local theater and in the evening a Walkout Day dance is held.

All in all, Walkout Day is very entertaining and proves well worth all the hazing a freshman must go through.

A. C. E. Members Plan This Year's Program

Elementary education majors met in the kindergarden room at Horace Mann last Wednesday night for an evening of getting acquainted.

Betty Johnson, president, welcomed the freshmen and other new members, and introduced the officers of the organization.

Connie Robey, Marsha Crowell, Marcia Rucker, Peg Cox, and Peg Boyd presented a skit in which the purpose of A. C. E. was given.

New members will be initiated at the next meeting to be held Wednesday, September 30.

Linda Reaksecker To Queen Contest

Linda Reaksecker who was chosen "Miss Northwest Missouri" in July will leave here October 13 to spend a week in Kansas City where she will compete in the finals for the title "Queen of the American Royal".

Miss Reaksecker, a freshman, will be accompanied by Mrs. Albert Bell during the week ending with the coronation of the queen and the following ball.

Simmons, Merrick Co-Chairmen of Homecoming

Miss Nancy Merrick and William Simmons, co-chairmen of the central Homecoming committee, and Dr. John L. Harr, general chairman, have established committee assignments in preparation for Homecoming to be held October 16 and 17, 1959.

Committee assignments follow:

Total1,870

More students are expected to enroll this week.

Carl Redmon, Shirley Noelck Play Leads in "Brigadoon"

Carl Redmon and Shirley Noelck will play the leads in "Brigadoon" a musical fantasy to be produced this semester. Mr. Redmon will sing the role of the romantic Yank who falls in love with a Scotch lassie—Miss Noelck—who can only stay on earth one day in each century.

Bill Price will play the part of a sarcastic friend of the Yank who is pursued by an imprudent man-chasing maid—played by Karen Miller.

"Brigadoon" tells the story of two Americans who wander by chance into a Scottish hillside village called Brigadoon. The two arrive on the day of a wedding which is also the one in a century when the village comes to life.

Elender Barrett and Ernest Mertz play the parts of the couple who are to be married. Dan DeMott will play the jilted suitor who threatens to leave the village and thereby cause the enchanted town to vanish altogether. Ronnie King will play the local schoolmaster who explains the tale of Brigadoon to the Yanks.

Others in the cast include Sarah Beth Kurtz, Marilyn Gillis, Richard Fetterer, Don Ellis, Robert Reck, Bill Schultz, Bill Lippincott, Phil Hayes, Roy Rouse, and Robert White.

The cast will be supported by members of the Tower Choir.

Dr. Ralph Fulsom, head of the speech department, will be the director of the entire show, and he will also be responsible for the settings, staging, and the acting.

Mr. Gilbert Whitney will be in charge of the solo, ensemble, and choral music. Mr. Earle Moss will be in charge of the orchestra; and Dr. John L. Smay, chairman of the music division, will coordinate the contributions of his division.

Miss Sarah Beth Kurtz, student instructor in the women's physical education department, will be in charge of choreography.

Dr. Sterling Surrey will serve as coordinator of the entire production.

Students and faculty, administrators, and other college personnel having activity tickets will be admitted free. All others of the College, as well as members of the community, can enter either with their season ticket to major productions or with individual tickets costing one dollar each.

Where's the Editor Asks Missourian

Students who are interested in journalism may have an opportunity to work on the Northwest Missourian if they wish. A staff meeting will be held in Ad. 325, Thursday morning, 10:00. Students who cannot attend this meeting may see Mr. Peel, faculty adviser, in Ad. 215 from 3 to 5 any week day.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Surrey Announces Loans Aid Students
Student Loans

The secretary of the Department of Health, Education, and Welfare has announced that the National Defense Loan Program instituted last year will be continued during the coming school year. Northwest Missouri State College was a recipient of funds for the 1958-59 school year, and the college has been advised that it will receive funds for the 1959-60 school year.

The college last year had many more applicants meeting the requirements than it had funds available. However, by using the Federal funds and our own college loan fund we were able to aid all deserving students. Perhaps this aid was not as much as we would have liked to have provided, but qualified students were able to continue their education. As a result the Northwest Missouri district will benefit because into the various counties and towns of the district we will be able to send trained teachers.

Although the amount specified for the school year is larger than last year, it must be realized that last year's allocation actually applied only to the second half of the school year, whereas the present allocation apparently applies for the entire year 1959-60. College students, and high school graduates of the class of 1959, who feel they might qualify under the Federal program are urged to request an application form from S. Surrey, Chairman Student Loan Fund, room 207-A, classroom building.

Looking Forward

The following assemblies have been scheduled for the forecoming year by the assembly committee, composed of eight students and faculty advisors. For 1960 and 1961, a new group of students will be chosen for the committee. The students have a vote as well as the right of expression in the selection of the program.

In addition to the scheduled assemblies, contacts have been made for the appearance of individuals to work with certain departments. To date, such contracts have been arranged for the Drama, Music, and the Biology Departments. Two additional contracts of this nature will be made this year. The practice will be continued next year.

Faculty members serving on the committee this year are Miss Pierce, Mrs. Mauzey, Dr. Mueller, Dean Koerble, Dr. Fulson, Mr. Sanford, Dr. Smay, and Dr. Surrey.

With another school year comes that perennial question—news coverage in the Missouriian of various students groups, particularly fraternities and sororities.

But this is no issue on many campuses and it need not be here. To start the year off, we make some suggestions.

Organizations should consider their publicity director as second in importance to the president, not as someone they "stick" with the job after electing twenty other officers. If he does a good job, they should leave him in it for a year. It goes without saying that he should be capable of writing interesting stories that fit the needs of a newspaper.

A little observation of adult organizations in public life will show students that such organizations consider publicity to be one of the most important activities of their groups.

If the members of a group are not interested in writing their own publicity, they can be sure that any outsider is even less interested in doing so.

Publicity is not easy news to write because the writer is too close to his material. It is easier to judge the news value of something in which he is not involved. A good publicity writer learns this by getting experience in writing general news, then by making an effort to apply the same objective standards to news in which he is personally interested.

In a newspaper, news about Smith is not news because Smith thinks it's news, but because the rest of the world thinks so. What Smith thinks about himself may be advertising—it may even be news to his wife—but it's not news to others unless THEY find it interesting.

And that's why the Arrow editor uses a blue pencil, even after the organization turns in its news.—W.W.N. From the "Cepha Arrow", Sept. 10, 1959.

Student President Spades First Shovel For Union

STUDENT BODY PRESIDENT, Max Kinney, unearths the first shovel of dirt for the construction of the college's new Student Union building. Max acclaimed that moment as the proudest of his life, and stated that as a child digging the many holes he had, he never dreamed that that practice would some day be so significant and important. President J. W. Jones conferred the honors onto Max during the preceding assembly.—Northwest Missouriian, Nov. 15, 1950.

Coming Down That Last Long Line

REGISTRATION SEPTEMBER 7 proved quite a chore. When the final tally was taken 846 had enrolled, although a few late enrollments are expected. This was a decrease of 52 in comparison with last fall quarter. There were 502 men registering and only 338 women; but comparatively, there was a decrease of 72 men and an increase of 20 women. Northwest Missouriian, Sept. 20, 1950.

Meet the Bearcat Coaches

Dr. Peterson starts his thirteenth year at Northwest Missouri State College and his seventh year as Head of the Division of Health and Physical Education for both men and women. Since he arrived from Wisconsin, where he was a star football player at the University in his undergraduate days, Coach Peterson has assisted in football and was head basketball and tennis coach. Two years ago the Bearcats went into a wrestling program which he now handles.

As Division Director, Dr. Peterson has done a fine job in developing the programs of athletics, physical education, and recreation; besides improving the Bearcat athletic facilities.

Ryland Milner, "Taffy", as he's been known for these '10 and any years, starts his twenty-third year at Northwest Missouri State College and his second year in the new position of Athletic Director.

As Head Football coach for twenty-one years, Athletic Director Milner has established

a record of producing some of the outstanding teams in MIAA history. Four times—1938, '39, '43, '44—his teams have won the conference crown outright; and four times—1941, '42, '48, '52—have shared in the top honors. Three of his teams, those of 1938, '39, and '44 were undefeated.

After graduating from Northwest Missouri State College, Milner coached at Jackson, Missouri, where he still remains a popular figure. In 1937, he returned to the college. Ryland received his B.S. degree from Northwest Missouri State College, his M.A. from Louisiana State University; and has done graduate work at George Peabody College and the University of Wyoming.

During his under-graduate days, Ryland was one of the school's finest all around athletes. A brilliant runner and passer in football, he also was a standout basketball player as a member of the 1932 Bearcat squad that finished second in the National AAU Tournament. He was also a top rated base-

The enrollment for the school year of 1959-60 at Northwest Missouri State was 1,857, an increase of 1,011. The freshman enrollment alone nearly equalled the total enrollment of nine years ago. In the nine years since Mr. Kinney turned over the first shovel of earth for the union, not only has the union itself been finished, but an addition has been added, and many other new buildings have been added. These buildings, of course, are obvious; the growth that has necessitated them is perhaps not so obvious. The college is outgrowing its plant like a boy outgrowing his clothes; just as parents of a growing boy are not always able to supply clothes as rapidly as needed, so the college is not always able to supply facilities as rapidly as they are needed.

The college knows of the existing needs in the newly constructed parts of the plant. But just as parents cannot always buy Johnny a new pair of shoes just when he needs them, so the college cannot always do things just as fast as the students feel they should be done. Please be patient: Johnny will have his shoes just as soon as possible.

Life With the Bearcats

Things have really been popping at 107 Lawn Avenue, the address of Phi Lambda Chi Fraternity house. Meals were served Monday morning, September 14, as scheduled under the direction of Mrs. Nancy Whitaker, acting housemother. Twenty members are now staying in the house and plans are going full speed for more. "Everybody help whenever he can" has become the motto of the house. Cooking, serving, washing dishes, cleaning, trimming, and making desks and tables have been attended to by willing hands. The remodeling of one of the front rooms for use by the housemother is another job well underway.

An informal meeting was held Tuesday evening at the house. Many items were discussed and voted on, including house dues for members living outside the house, plans to recruit new members, plans for the initiation Saturday morning, and plans to publicize the fraternity. Various committees were chosen.

The officers of the fraternity are: Lonnie Hill, President; Jerry Skipton, Secretary; Frank Skipton, Treasurer; Ron Parish, House manager; Jim Clayton, Sergeant of arms; and Jerome Ulrick, Pledgemaster.

Sybil Sims and Harlan Higgenbotham were married June 14, 1959. Mrs. Higgenbotham was a member of Alpha Sigma Alpha, and Mr. Higgenbotham was a member of Phi Sigma Epsilon. Both were in the 1959 graduating class of N.W.M.S.C.

Norma Murphy and Bob James were married August, 1959. Mr. and Mrs. James were members of Phi Sigma Epsilon and Alpha Sigma, respectively. Mr. James was a member of the 1959 graduating class.

Joan Hall and Don Eklund were married August, 1959. Mr. Eklund was a member of Phi Sigma Epsilon and Mrs. Eklund was a member of Sigma Sigma Sigma. Mr. Eklund was among the graduating class of 1959.

COLHECON will initiate new members and install officers at the next scheduled meeting, September 23, at 7:00 p.m. in the Home Economics Lounge. Miss Thelma Long will sponsor the Home Economics Club again this semester.

Miss Dykes Holds Writer's Meeting At Her Apartment

Do you like to say what you think? Are you interested in what others think and write? Do you ever secretly yearn to see your ideas in print and hear them read by others? If so, you probably have an aggravated case of frustrated authorship. The prescribed cure is a pleasant, exhilarating evening at Writers' Club. All students and faculty members afflicted with a desire to be creative writers, or to be associated with this species of mankind, are invited to attend the meetings at the home of the club's sponsor, Miss Mattie Dykes, 416 South Buchanan. Watch the main bulletin board for the announcement of the time.

Sigma Tau Gamma fraternity reports that their newly acquired house is pretty well in shape for the semester after a lot of hard work on the part of the members during the past few months. At the moment there are 27 men living in the house, with room for several more. An open house will be held sometime in the near future. Plans are underway for rushing pledges.

Alpha Phi Omega fraternity recently entertained Don Sidmyer, executive of the Pony Express Boy Scout Council. He is assisting the fraternity in plans for Explorer Day, a day in which Explorer Scouts will be visiting the campus. On that day, October 31, this year, members of the fraternity will provide a round of activities for the visiting explorers.

Mr. and Mrs. Berton W. Williamson of Dawson, Nebraska, announce the marriage of their daughter, Shirley Kay, to David R. Haner, son of Mr. and Mrs. R. F. Haner of Brayton, Iowa.

Mrs. Haner, a senior of the College, is a Home Economics major and an English minor. Mr. Haner, also a senior, is a social science major and an English minor.

Tau Kappa Epsilon announces the following marriages: Wanda Russel to Chuck Stadler; Juanita Fuller to Gary Dodson; Sandra Dudgeon to Gary Bjorn. All took place during the summer. Gary Wolsey and Judy Frese were pinned recently in a formal ceremony.

Graduate Fellowships

Seniors who are interested in entering college teaching now have an opportunity for Woodrow Wilson fellowships. Dr. Koerble, Mr. Hinshaw, and Mr. Peel have been appointed to make a nomination from this college for one of these fellowships.

Pan-Hellenic Council Gives Tea For Sorority Interested Co-eds

All freshman women interested in a sorority will be guests of members of Sigma Sigma Sigma, Delta Zeta, and Alpha Sigma Alpha at the annual Panhellenic tea to be held 3 to 5 p.m. September 27.

The tea will be held in the student union lounge, and all freshman women may attend. They are asked to wear afternoon dress with hats.

Alpha Sigma Alpha is in charge of refreshments; Delta Zeta is in charge of decorations; and Sigma Sigma Sigma is in charge of publicity.

Plans are now being made for the coming sorority rush parties, which will be held the week of the 27th. Sigma Sigma Sigma will hold their informal rush party Monday, September 28, from 7:00 to 9:00 P.M. with Peg Boyd as chairman. Alpha Sigma Alpha will hold their informal Tuesday, September 29, from 7:00 to 9:00 P.M. with Peggy Humphreys and Kim Reeves as chairmen. Delta Zeta will hold their informal Wednesday, September 30, from 7:00 to 9:00 P.M. with Patty Logan, acting as overall chairman for rush.

The formal rush parties will be held in the sorority chapter rooms September 31, with the Sigma Sigma Sigma's holding theirs from 7:00 to 8:00 P.M. with Nancy Young in charge. Alpha Sigma Alpha will hold theirs from 8:00 to 9:00 P.M. with Rosalie McCrary in charge. Delta Zeta will hold their formal rush party from 9:00 to 10:00 P.M.

The following are the rush chairmen for the different sororities: Toni Skoglund, Tri Sig; Evelyn Robinson, I Alpha Sig; and Patty Logan, Delta Zeta.

First Dorm Meeting

The first dormitory meeting of the year was held Monday night, September 14, with Ann Card, president, presiding. New girls were welcomed to Residence Hall and rules and regulations were discussed.

Monday and Thursday nights having been designated last year as study nights will have the deadline of 7:00 P.M. for male callers this year. No male visitors will be allowed in the dormitory after this hour.

Rules concerning matters such as the hours kept, attire worn, and use of the facilities were also discussed at the meeting.

Students Teachers

During the first semester of the 1959-1960 school year, fourteen Northwest Missouri students will be doing their student teaching off-campus in the Maryville Public School System. Eugene Field Elementary School will serve as a laboratory teaching situation for four senior girls. Ten college students will be assisting the secondary school staff at Maryville High.

Mr. Milan Dady, a new staff member here will handle the program of off-campus student teaching with Dr. Leon Miller, Chairman, Division of Education, as the general coordinator. Mr. Dady will work closely with Mr. Wallace Croy, Eugene Field Principal, and Mr. C. A. Preston, Maryville High School Principal, in the off-campus program.

The student teachers at Eugene Field have had previous student teaching experience.

Miss Marsha Crowell, senior from Adel, Iowa, will be at Eugene Field from 9 to 11 a.m. on the first grade level with Mrs. Clara Brown.

Miss Karen Crawford, a senior from Earlham, Iowa, will work with Mrs. Ester McDonald from 9 to 11 a.m. on the sixth grade level.

Miss Pat Corbin, a senior from St. Joseph, Missouri, will be assisting Miss Opal Orme from 9 to 11 a.m. at the second grade level.

Miss Margaret Giffin, senior from St. Joseph, Missouri, will do her student teaching under Mrs. Marzella Houghton from 9:00 to 11:00 a.m. at the third grade level.

At Maryville High School these ten college students are student teaching at the secondary level in their course curriculum.

Mr. Fred Fuhr, Jr., physical education, with Mr. Donald Norton.

Mr. Ivan Lynch, typing, with Mrs. Mary Wagner.

Mrs. Zo Ann Holt Severson, physical education with Mrs. Lawrence Wray.

Mr. Kenneth Straight, biology, with Mr. George Williams.

Mr. Marvin Powell, biology, with Mr. Lawrence Mertz.

Mr. Leland Borikand, algebra, with Mrs. Joe Johnson.

Miss Jo Ann Outs, senior English, with Mrs. Doris Ewing.

Mrs. Rosemary Laffon Coats, sophomore English with Mrs. Opal Eckert.

Mr. John Cracraft, industrial arts, with Mr. Delbert Dick.

Mrs. Karen Graham Tussy, high school commerce, with Mrs. Joe Brown.

Fort Hays Tigers To Invade Campus

The Fort Hays State Tigers from Fort Hays, Kansas, under Coach Wayne McConnell, will invade Bearcat Camp this Saturday night, September 26.

A strong nucleus of 14 returning lettermen will form the major part of Coach McConnell's plan of attack. The Tigers appear to be especially strong at the quarterback and end slots, with three returners at quarterback, all of whom have had experience, and four veteran ends. The two apparent weak spots on the club are fullback and guard.

Darrell Hildebrand, left halfback, appears to be the main man on the offense show as the Tigers are counting on him heavily. His running mate at right half appears to be Lee Stevenson, who was a consistent performer last year averaging slightly less than four yards per carry.

A big disappointment to the squad, however, has been that C.C. All-conference guard, Dennis Stegman, who will not be in uniform. This is one big reason why the Tigers are weak at guard.

Transfer students in the persons of Larry Carrier and Elmer Trail are expected to be of use. Carrier was a regular halfback at the University of Kansas in 1957. Trail was a Junior College All-American in 1957 at McCook, Nebraska.

The bench strength in the line and at fullback appear to be weak for the Tigers, and these are their weak positions already.

The Black and Gold will run mainly out of the split "T" with the belly series. The balanced line winged "T" will also be put to some use by Coach McConnell's boys.

It shapes up that the Tigers will be a worthy opponent for the Bearcats this Saturday night. We think that we're going to see some pretty exciting football.

No Turnips Wanted—

As in previous years, the college is again compiling a list of students who, in only cases of emergency, would be called upon to donate blood at the St. Francis Hospital. The list of donors is kept by S. Surrey of the Business Department.

If you know your blood type and are in good physical condition, please register as soon as possible. If you do not know your blood type, it will be typed, free of charge, at the hospital between the hours of 3 and 5 p.m. Donations can also be made at this time.

Students who have had malaria or yellow jaundice are ineligible to donate.

Bearcat Coaches Fight! Fight Bearcats!

Head Coach Turner, is a graduate of Swahnee Mission High School, Kansas City, Kansas, where he won all conference honors in both football and basketball. He was selected to the second team in All-State football, and received honorable mention in All-State basketball. Turner received his B.S. degree in Education, 1947, from the University of Kansas, and his Masters of Science in Education from the University of Kansas in 1951.

He played regular end under Wayne Replogle at Kansas University his freshman year, his sophomore and junior year under Gwynn Henry: V-12 at Oberlin College on an undefeated team under Lyle Butler; and his senior year under George Sauer in 1946.

Turner lettered in basketball at Kansas University under Dr. Forrest C. "Phog" Allen during the 1941-42 season, when Kansas gained two Big Six Championships and a third in the 1942 NCAA Western Play-offs in Kansas City.

He has eight years of successful head coaching experience on the high school level at Hoisington, Abilene, and Highland Park in Topeka. For three years he was line coach under Head Mentor Richard Godlove at Washburn.

Robert Gregory will be an instructor in the Health and Physical Education department and will assist the coaching staff. He is a 1941 graduate of Northwest Missouri State College; received his M.A. degree from Indiana University and has done graduate work there. Mr. Gregory was an outstanding football and basketball player while attending Northwest Missouri State College. He played a guard position in football and was a forward in basketball. He has held coaching positions at Shenandoah, Maryville, Grand Island, and here at NWMSC. As a line coach he will be a great help to Coach Turner in molding the "Bearcat" football team.

Football season is here again, and that means the Bearcats are once more seeing action. From all indications the Bearcats are bigger and better than ever this year and are sure to bring many victories for N.W.M.S.C. We, as members of the student body, will need to show the team that we are behind them one hundred per cent. That means attending all games and cheering as loud as we can, so that the Bearcats will know that we are with them all the way. The Bearcats deserve the support of every student, so let's keep the school spirit strong throughout the season. We, as cheerleaders, will appreciate all the pep and enthusiasm the student body can offer. Let's all get behind the Bearcats and F-I-G-H-T, and we're sure to WIN!

The cheerleaders are as follows:

Joyce McCoolle, Gaye, Laughery, Martha Gray, Bobbie Walker, Linda Reaksecker, Mary Onkin, Barbara Noe, Jim Offenbacher.
